Membership Orientation Class Sunday, February 21st from 4:00–7:30 PM

The purpose of the class is to examine whether or not church membership is biblical (and whether it actually matters) as well as to provide a biblical overview of how the church is to be ordered. At the same time, our time together will help orient you to who we are, what we believe, what we do, and what we expect from our members. Essentially, the goal is to allow you to learn a little about us and who we are as a church.

If you are a church member wanting to learn more about church membership, or if you are interested in joining our church, please make plans to attend. Let the church office know if you plan to be in attendance so that we can prepare a binder of materials for you.
