

Central Baptist Church,
I want to thank the men from Central Baptist so much for the work they did at my house Saturday morning, August 28th. The back deck is much sturdier now. I'm terribly sorry some of your men were stung, I hope they recover quickly. The weed eating was much appreciated, it's hard for me to do much of this at a time. Now my yard looks much better! You have a program that fulfills a genuine need in the community.

Yours in Christ
Elizabeth Woodall

Central Baptist Church,
Thank you to the Willing Hands Quilters for thinking of me during the recent flooding in Carlisle. The quilts will always be a great reminder of your caring. Thank you to all who have and are praying for me. Keep'em coming!

Daniel Pierce

Church Family,
Thank you for the love & concern from our church family in the loss of my sister and my brother. We appreciate the prayers, visits, calls, cards and delicious food brought to us.

MICKEY'S MUSINGS

Children's Music

Music Makers is a vital disciple-making program where we teach our children to develop and use the talents they've been given for His glory and to teach them doctrinal truths in song. Invest in the lives and development of your children through participation on Wednesday nights at 6:30 in Room 310. The children will sing in the 10:45 service on October 17 and November 14 and will conclude their semester by leading worship on the evening of December 5.

Worship Choir

Throughout the Old Testament the Israelites were led into battle by a choir. There is something to be said about God being praised by His people! Will you join the chorus? The Worship Choir—open to all in the 6th grade and older—rehearses on Wednesday nights at 7:30. Childcare is provided. No audition required.

Lunch Bunch

Let's have lunch together on **Tuesday, October 12 at 11:30 a.m.** at Wendy's. We don't check ID's, so regardless of your age, we'd love to have you join us! Be sure to sign up at the Registration Center so we can be sure to have enough seats at the table.

Thank You

As many of you know, I had a bit of a scare last month that, thankfully, turned out to not be as serious as at first thought. I had an outpatient procedure that remedied the situation, and I am continuing to heal at home. Words cannot express my gratitude to the Worship Band and Media Team for continuing in God-

honoring excellence in my absence and for the many who sent cards and food. Your love, prayers, and support are appreciated. I hope to be back with you soon.

Blessings,
Mickey Ballard

Jonny's Corner

Hello Church Family,

I am encouraged that our church has reached its goal of reaching over 2000 homes with the gospel. Thank you to everyone that was involved, whether it was going door-to-door, or praying that the Holy Spirit would change hearts of people in the community to see Christ. This was a huge endeavor, and with God's guidance and the willingness of the church family, the goal was reached.

I know that we are now going through a time of transition and things can seem a little confusing. Let me encourage you to focus on God and His will for His church. Let me encourage all church members to stand firm in faith and seek God's guidance through this time. I want to challenge all church members to check on each other, reach out to the community. Many times, we forget to check on fellow members. This is the time we need to be making phone calls, visits, and especially praying for one another.

So, I challenge all church members to take time every day to call, or visit another member of the church to check on them. Just to ask how they are doing and how you can be praying for them. To build unity in

the church, it takes the whole family to do that, not just a few individuals. Take time to work on building relationships with others in the church, take the opportunity to put your feet to action and be an example of Christ to others. Please take this opportunity to serve others, check on others, and be praying for one another.

Yes, we are in transition, but as followers of Christ, we must move forward with God's ministry. Yes, things are tough right now, but God's ministry is about kingdom growth and that does not stop, especially when things get tough. Seek God's guidance and wisdom, ask Him how He wants you to serve in His church and in His ministry. Allow God to show you where He wants you, allow God to set our emotions and wants to the side, and seek His will through all this.

Church, I have no doubt that God will get us through this. God has a purpose for all that follow Him. If you are a member of CBC, be an example of Christ to others, let's forgive one another, and move forward seeking God's will and being an active part of His body. Let's be active in checking on one another, staying active in the community, being a church that is a beacon of light to this community, and a body that is an example of Christ.

Let me leave a verse of encouragement, John 16:33 says, this is Jesus speaking, "I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world." Let's focus on Christ, He is the one that will bring peace to His church.

God Bless,
Jonny

Katelyn Summers

The scent of roasting coffee beans permeates the
Southeast Asian air, and IMB worker Katelyn
Summers keeps careful track of the roasting time.

Outside, high school student believers who have
traveled from their home in Singapore lug bags of
freshly picked coffee cherries to be processed and
dried. The students came to this Southeast Asian
nation to serve as part of their church's partnership
with Katelyn in order to help introduce the gospel to
the people group among whom she is working.

Katelyn buys coffee cherries from the locals and then
processes, roasts, and sells the coffee beans. Her
coffee sourcing and selling provide the community
with a livelihood and Katelyn with an opportunity to
share the gospel.

The Cooperative Program is the financial fuel for
reaching every person for Jesus Christ in every town,
every city, every state, and every nation. Your support
through the Cooperative Program gives missionaries
like Katelyn the opportunity to meet the needs of the
communities they serve, both physically and
spiritually.

Pray for Katelyn as she ministers to the people she
serves in the Asian Pacific Rim and the Lord would
lead many people from this nation to make a
commitment of faith in Jesus.
