**MUSIC AND WORSHIP**

Worship Choir continues to rehearse at 7:30 on Wednesday nights over the summer. The purpose of the worship choir is to enhance worship and to afford opportunities for individuals to use the talents God has

given them for His purpose and His glory. Please don't let your talents go to waste!

Worship Band continues to serve each Sunday morning. If you would like to play and/or sing with the band, contact me to set up an interview. Be prepared to demonstrate your abilities during the interview.

Worship Tech endured—and is enduring—some hardship related to energy spikes recently. Some equipment was damaged and, thankfully, the damage was covered by insurance. However, some of the replacement equipment is on backorder. Prayerfully, we will be operating at full capabilities soon.

Additionally, we are looking for individuals who are willing to learn how to create presentations in our ProPresenter 7 software that we use for displaying elements on the screens. A basic level of computer savviness is necessary to create the presentations. If interested, let me know. For more information, search YouTube for Renewed Vision ProPresenter 7 tutorials. You can even download a trial version of ProPresenter from renewedvision.com.

Hello Church Family,

It is already June, summer is here, which means that VBS, Youth Camp, and Children's Camp are right around the corner. I would like to give a huge shout out to all the Awana workers for their participation and leadership this school year with Awana. Thank you for all your time and effort in sharing the gospel with the kiddos through the Awana Ministry.

We also need help with more adult leadership in Awana, and all the ministries that involve the children

and youth of CBC. All these ministries are seeking help and really need adults to step up and lend a hand in these ministries. There are several ways to help, but more importantly, we need more adults actively involved in the church and its ministries. Please consider helping and taking time to be a Godly example to the kiddos and students here at CBC.

VBS is coming up quickly, it is June 4<sup>th</sup> through the 8<sup>th</sup> and we need your help! There are many ways to help in VBS and we need our church family to help make this an amazing experience for the children of Paris. VBS is an amazing experience for the kiddos and I encourage our church family to be a part of that experience as the kiddos learn more about God. Please consider helping!

We also have youth camp, June 12<sup>th</sup> through the 16<sup>th</sup>. The youth will be heading to Jefferson City, TN. Camps are always an amazing opportunity for students to learn about God, to grow in their relationship with God, or come to know God as their Lord and Savior.

Children's camp is coming up in July. It is scheduled for July 17-21. This is another amazing opportunity for the kiddos to learn about God, and have an amazing time with a lot of fun through the week.

We will also be starting a summer ministry here shortly on Sunday evening for the children. I will get information out as soon as everything is finalized, so there will be more information coming.

As always, please keep all these ministries in your prayers! Please be praying for safety and that God will move in a mighty way in the lives of the students and kiddos of CBC.

God Bless  
Jonny

### Mission Moments

WMU met on May 17<sup>th</sup> with 5 members present and one visitor. Bette Edwards did a wonderful program on "Be Constant in Prayer". WMU is collecting items for the Christmas Backpack Program. These backpacks are given to children in southern Ohio and all of Kentucky. If you would like to help with the backpacks, please contact Judy Jones or Bette Edwards.

**Life House News:** We have been incredibly blessed with donations and shoppers. We had 18 shoppers for the month of May.

Our Baby Bottle Blessings Fund Raiser for the Life House is off to a great start.

There is a desk that needs to be moved to the Life House, it is upstairs in the hallway of the church. If you can help Jonathan move this, please get with him. There is also some heavy-duty yard work that we need done, bushes and shrubs that need to be removed, fence line needs to be cleaned out. If you can help with that get in touch with Daniel Langfels.

We are in need of more volunteers to work on Tuesdays, we are open from 11 AM – 7 PM. If you are willing to give a few hours a month please contact Judy Jones, 859-340-0373.

We will always be in need of prayers, diapers, wipes, blankets, clothing up to size 4, baby bath, lotion and any thing you can think of that babies need.

Our church family is the absolute best. Thank you for everything.

Blessing To All  
Judy Jones, WMU Director  
and The Life House Committee
